

AT THE INTERSECTION OF  
**business and technology**

Theta is an SBA **HUBZone** certified, African-American Managed, small disadvantaged business (SDB) primarily focused on health, civilian, and selective defense industries with unique collective experience in agile development, DevOps, digital transformation, strategic planning, and data aggregation and analysis services spanning decades.

## Capabilites

### **AGILE SOFTWARE DEVELOPMENT**

- Agile Development (Scrumban approach)
- Innovative mobile-first approach to solutions
- Solutions built with modern back-end technologies, and frameworks
- Rapid Delivery

### **DEVOPS (SYSTEM INFRASTRUCTURE ENGINEERING)**

- Infrastructure Automation
- Configuration Management
- FedRAMP Cloud Services (e.g. AWS/GovCloud, Azure) with emphasis on security, availability, modularity, and performance.

### **STRATEGIC DATA ANALYTICS AND AGGREGATION**

- Analysis to allow you to make better decisions, services include:
  - Business Intelligence
  - Data Analytics
  - Big Data Warehousing

### **DIGITAL TRANSFORMATION (SYSTEM DESIGN & ARCHITECTURE)**

- System Analysis
- Architectural Design Focus in: Communication, Deployment, Domain, and Structure
- Build to Change instead of Build to Last Architectural Principles
